Ms. Thomas:

Since this is a cost reimbursement contract, we can only reimburse the salary amounts which are actually paid to your personnel.

Any changes to budget categories must be submitted on a budget revision form.

Please let us know if you have any questions.

Thank you

Good Morning Ms. Dora,

Thank you for the update on the invoices.

To clarify "inflated", we are asking if we can increase the monthly amounts payable to our personnel who we were not able to pay during the time we did not have the signed contract. In order to exhaust all approved funds for the salaries category, would this be acceptable?

For example, I will use my salary which was not paid at the full contract amount for October through January, so can the salary be increased to exhaust the full budgeted amount for this contract period without having to submit a budget revision?

Thank you,  
Barbara Thomas
